

MRS. ADAMS

WJHS would like to dedicate our 2015-2016 yearbook to Mrs. Adams, our 7th grade science teacher. She lovingly taught 7th and 8th grade science here for sixteen fun and memorable years. Her favorite unit focused on continental drift, so she loved to hear the creative raps written about it. She says she loves science because it helps students appreciate the world around them. She is retiring this year for medical reasons, but she is grateful for everyone that helped her to get through twenty years of teaching. We'll never forget you Mrs. Adams!
